

With KenKen now firmly established in the country's most prestigious newspaper, it's time to introduce the next part of my master plan: the KenWord.

The rules are like you'd expect from the component puzzles: enter clue answers in a grid, no numbers repeat,

Not above

Adjective in second Bill & Ted film's title

Pugilist

UCLA athlete

Sound from a frog

One member of a Dan Brown title group

Baker's _____

Command for Fido

Like the top of a latte
