

Triple Play by Thomas Snyder

This word search involves some “evil” words from the world of baseball. Not all words appear, and some even appear multiple times in the grid, unlike a standard word search. Finding all words (with repeats) leaves this message: BY NOW YOU’VE PROBABLY REALIZED SOME WORDS APPEAR TWICE, OTHERS JUST ONCE, THE REST ZERO TIMES. USE THIS COUNT TO FIND YOUR WAY HOME FROM THIRD.

As clued by the message, and by the “third base” behind the word list, decode word count as ternary.
